Ineligible Applications

The Department has determined that eleven SAG applications are ineligible. If you have any questions about the eligibility of your application, contact your regional project manager or Valarie Thomas at (608) 267-7153 or thomav@dnr.state.wi.us.

Providing financial assistance to these proposed projects is not expected to have the potential to cause significant adverse environmental effects, and the Department has made a preliminary determination that an environmental analysis and the EIS process is not needed. Comments on this preliminary determination may be provided no later than October 10, 2000 to Valarie Thomas at (608) 267-7153.
